HOLIDAY MARINE ADVENTURE

Program Summary

This 3-day holiday program will introduce participants to the coastal, marine and island environments of Hong Kong and the wild and wonderful creatures that are found there. Participants will learn about the importance of these local ecosystems creating an awareness and understanding of our natural wonders. Helping to inspire the students to become better guardians of our oceans, highlighting the threats that face them and the importance of conservation.

Day 1 - Island Discovery

Lamma Island

- Try hookless fishing at the fisherfolk's floating village
- Visit a temple with a preserved deep sea fish
- Hike along the mountain ridge with stunning views of Lamma coastline
- Visit Lamma Winds, the only wind turbine in HK

Day 2 - Mangrove Exploration

Tung Chung, Lantau Island

- Hike along the Tung Chung trail to a remote mangrove forest
- Mangrove ecology & Bingo

Day 3 - Peng Chau Adventure

- Visit the remote beaches & hike the Family Trail
- Explore the intertidal zone of a rocky coastline
- Visit the ancient temples of Peng Chau Island & discover its' pirate legends

Marine Educator

Marine Biologist and Founder of Living Oceans Education, Estelle Davies. Estelle is also a Naturalist for Jean-Michel Cousteau's Ocean Futures Society and has over 10 years experience leading marine discovery trips both in HK and in beautiful places such as French Polynesia, Maldives, Australia's Great barrier Reef, The Caribbean, and many more. She is highly qualified as a Wilderness First Responder (First Aid), PADI Dive Master, Swim & Snorkel Instructor and a certified Secondary School Teacher of Biology

Cancellation & Refund Policy

- If Black Rainstorm Warning or a Tropical Cyclone Warning Signal No. 3 or above is hoisted on the day of event, the event will be cancelled.
- Living Oceans Education reserves the right to cancel the event due to circumstances outside of Living Oceans Education control (unsuitable weather, unrest, major road blocks, new government policies towards COVID-19). If this is the case participants will be contacted in a timely manner and the event will be re-scheduled to a date decided by Living Oceans Education. If the re-scheduled date is not suitable then a refund of 90% will be offered to participants.
